

WHAT HAPPENS NEXT?

**SIMPLE
CREMATION**
a direct cremation provider

1

Death occurs. Decedent is transferred to funeral home.

3

The vitals information is verified by the decedent's legal next of kin.

5

The physician completes the burial permit by signing and stating the cause of death. (Law allows 72 hours for completion.)

7

At this point, Certified Death Certificates can be ordered. (Nevada requires 3-5 business days to print them.)

2

Arrangements with legal next of kin. During the arrangements, the burial permit is input into the State EDRS.

4

The verified burial permit is submitted to the decedent's attending physician.

6

The burial permit is sent to the Clark County Coroner's office and the County Health District for verification. (Law allows 48 hours for completion.)

8

Cremations are performed in filing order except when expedited.
